

How to Install the BECE Registration App in 5 Easy Steps

1. Launch your **Google Chrome** browser and visit <https://bece.neco.gov.ng/> (See image below).

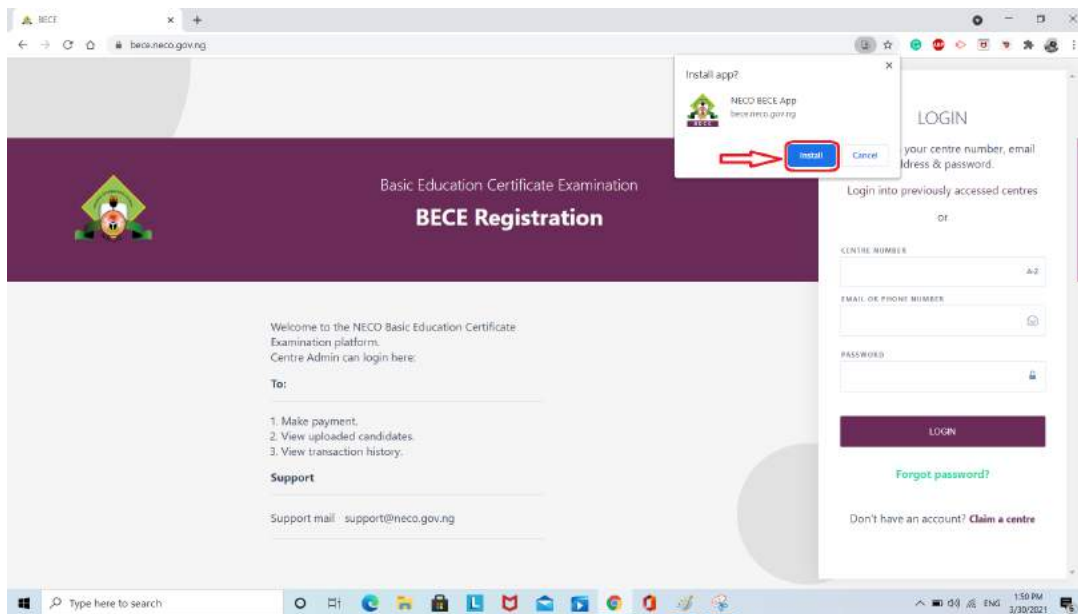

2. Click the installation ICON.
Note: The ICON is at the top right corner of the browser address bar. (See image below)

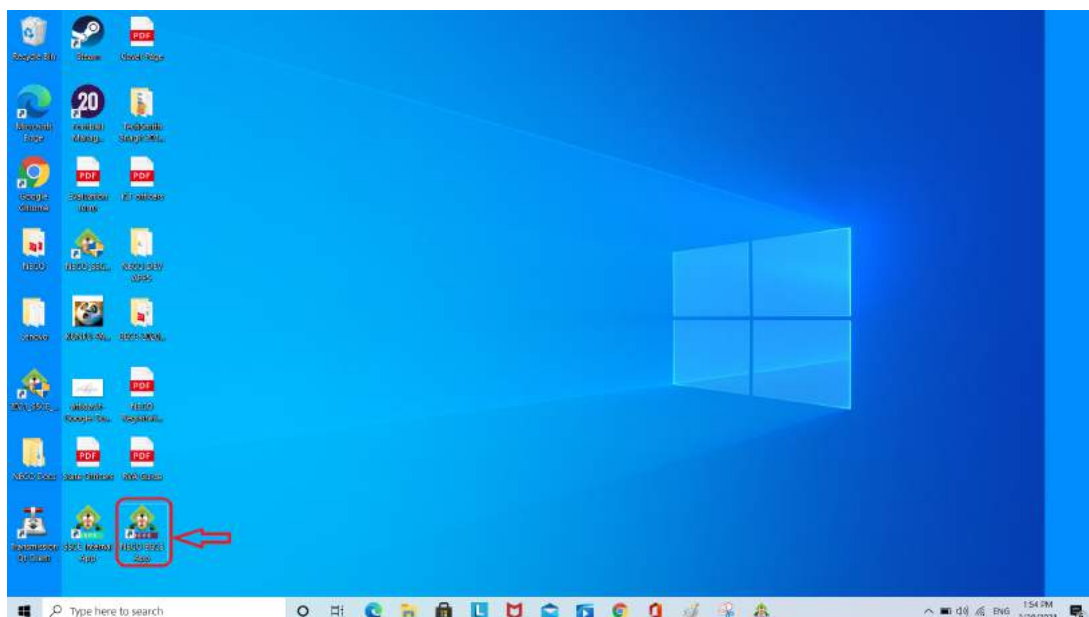

3. After clicking on the ICON, a popup will appear as shown below, Click on the **Install** button to save the icon on your desktop.

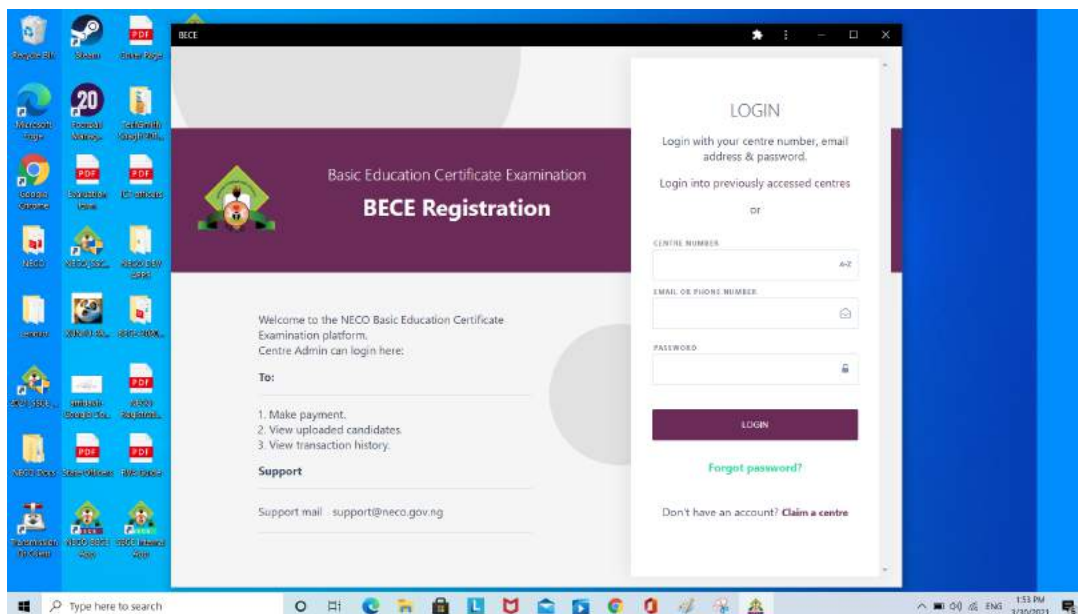

4. A shortcut will appear on your desktop as shown below.

5. Launch your app always from the shortcut created.

Enjoy and goodluck
